---

**Home Address and Phone**

302 E. Sherwin Circle  
Urbana, IL 61802

Phone: 217 840 2383

**EDUCATION**

Ph.D. Social Psychology, University of Illinois at Urbana-Champaign, 1997.  
Minor: Quantitative Psychology.  
Thesis Director: Robert S. Wyer

M.A. Psychology, University of Urbana-Champaign, 1994.  
Thesis Director: Martin Fishbein

Ph.D. Clinical Psychology, Universidad de Belgrano, Buenos Aires, Argentina, 1992.

Professor in Letters, Universidad Nacional de La Plata, La Plata, Argentina, Cum Laude, 1990.

B.A. in Psychology, Universidad Católica de La Plata, La Plata, Argentina, Magna Cum Laude, 1988.

**ACADEMIC APPOINTMENTS**

Professor, Department of Psychology, Business Administration, and Medicine, University of Illinois at Urbana-Champaign, courtesy appointment 2012-2014, 2007-Present.

Martin Fishbein Professor of Communication (Annenberg School for Communication) and Professor of Psychology (School of Arts and Sciences), University of Pennsylvania, 2012-2014.

Assistant Professor to Associate Professor (2003) to R. David Thomas Professor of Psychology (2006), Department of Psychology (and Affiliate Professor of Marketing), University of Florida, 1997-2008.

## **TERM AND ADMINISTRATIVE APPOINTMENTS**

Annenberg Public Policy Center, University of Pennsylvania, Visiting Scholar, 2018, 2019.

Assistant Head for Information and Communication, Department of Psychology, University of Illinois at Urbana-Champaign, 2018-2019.

Kellogg School of Business, Northwestern University, Visiting Professor during research leave at Illinois, 2011-12.

Director, Social Psychology Training Program, Department of Psychology, University of Florida, 2005-2007.

## **EDITORIAL POSITIONS**

**Editor in Chief:** *Psychological Bulletin*, 2014-Present

Associate Editors: Michelle Craske (University of California Los Angeles); Pim Cuijpers (Vrije Universiteit Amsterdam); Paul Eastwick (University of California at Davis); Benjamin Hankin (University of Illinois at Urbana Champaign); Blair T. Johnson (University of Connecticut); Akira Miyake (University of Colorado Boulder); Glenn I. Roisman (University of Minnesota), Gale M. Sinatra (University of Southern California); David Uttal (Northwestern University); and Paul M. Verhaeghen (Georgia Tech)

Production Editor (American Psychological Association): Richard Pepple

Manuscript Coordinators (American Psychological Association): Elizabeth Lewan; Sharon Ramos; Elizabeth Dedej

**Associate Editor:** *Behavioral Science and Policy* (Editor for Social Psychology: Susan Fiske; Journal Editor: Craig Fox), 2013-Present.

**Editor:** Special issue of *AIDS and Behavior. Modeling the Interplay of Individual, Interpersonal, and Structural Level Factors in HIV Diagnosis, Prevention and Treatment.*

**Invited Editor:** *Personality and Social Psychology Bulletin*, 2010.

## **RESEARCH INTERESTS AND GROUPS**

Attitudes and social cognition, self-regulation. Motivational processes in attitude and behavior change. Action goals and cognitive processes. Applications of social cognition to disease prevention programs.

### **Director of Social Action Lab**

The social action lab is the experimental core directed by Dr. Albarracín, in charge of testing theory and substantive ideas about persuasion, behavior change, and goals/motivation. The group has five Ph.D. candidates, two postdoctoral fellows, and twelve undergraduates.

### **Director of Health, Social Media, & Technology Group**

The health and social media group includes psychologists, computer scientists, a linguist, statisticians, and public health scholars. This team comprises seven faculty members (three at Illinois, one at Albany, two at Emory), two postdocs, and five graduate students. It is led by Dr. Albarracín and has the objective of facilitating specific research projects and to facilitate collaborations and training in the area.

Coordinator of thegrov.org, Grid for the Reduction of Opioid Vulnerability

## **CURRENT RESEARCH COLLABORATIONS**

*Attitudes, communication and persuasion, intention, behavior:* Source effects in persuasion. Science communication. Selective exposure to information. Phenomenology of intentions and attitudes. Belief correction. Conspiracy theories. General attitudes.

*Language, self-talk, social media:* Effects of syntax on behavior. Questions vs. assertions. Pronoun use in self-talk. Differences between self-talk and social talk. Determinants of self-talk. Natural language processing. Emerging media.

*Action/inaction:* Construal of behaviors as action or inaction. Action and inaction goals and attitude change. Effects of action and inaction goals on performance. Physical and mental behavior construal.

*HIV Prevention and health promotion:* Selective exposure in HIV prevention, testing, and treatment. Applications to smoking, drug use, and lifestyle behaviors (diet exercise). Defensive-confidence strategies to increase participation. Multi-goal interventions to increase participation. Health disparities. Multi-behavior interventions to improve lifestyle and overall health. Efficacy and effectiveness.

## **CURRENT CENTER APPOINTMENTS**

Affiliate, Trust Institute, University of Illinois, 2017-Present.

Affiliate, Illinois Informatics Institute, University of Illinois, 2016-Present.

Affiliate, Center for Caribbean and Latin American Studies, University of Illinois, 2016-Present.

Affiliate, Beckman Institute for Science and Technology, 2014-Present.

Fellow, Institute for Health Research and Policy, University of Illinois at Chicago, 2014-Present

Fellow, Leonard Davis Institute for Health Economics, University of Pennsylvania, 2014.

Faculty Fellow, Warren Center for Network and Data Sciences, University of Pennsylvania, 2014.

Member, Developmental Center for AIDS Research, University of Illinois, 2011-Present.

Member, University of Illinois Cancer Research Center, University of Illinois, 2011-Present.

## **HONORS AND AWARDS**

Avant Garde Award, National Institute of Drug Abuse, 2019. Supports individual scientists of exceptional creativity who propose high-impact, bold basic research that will open new areas of HIV/AIDS research and/or lead to new avenues for prevention and treatment of HIV/AIDS among people who use drugs.

Faculty Associate, Center for Advanced Studies, University of Illinois, 2019.

Mid-Career Award for Outstanding Scientific Contribution, Attitudes & Social Influence Interest Group, Society for Personality and Social Psychology, 2018.

Finalist, Avant Garde Award, National Institute of Drug Abuse, 2018.

List of teachers rated as excellent by their students, University of Illinois, 2018.

List of teachers rated as excellent by their students, University of Illinois, 2017.

List of teachers rated as excellent by their students, University of Illinois, 2016.

Distinguished Fellow, Annenberg Public Policy Center, University of Pennsylvania, 2016.

Faculty Associate, Center for Advanced Studies, University of Illinois, 2011.

List of teachers rated as excellent by their students, University of Illinois, 2010.

List of teachers rated as excellent by their students, University of Illinois, 2009.

Fellow of Association of Psychological Science, Elected 2009.

Fellow of American Psychological Association, Elected 2009.

Fellow of Society for Personality and Social Psychology, Elected 2009.

University Faculty Recognition Honoree, University of Florida, 2007.

R. David Thomas Endowed Legislative Professor of Psychology, Awarded 2006 for duration of appointment as professor.

Finalist, Theoretical Innovation Prize, Society for Personality and Social Psychology, 2004.

Anderson Faculty Honoree, University of Florida, 2004.

Award from Provost Colburn, University of Florida, 2002.

Anderson Faculty Honoree, University of Florida, 2001.

Scientist Development Award from the National Institute of Mental Health, 1999.

Award from President Lombardi, University of Florida, 1999.

Tinker Foundation Field Research Award, 1997.

Dissertation Research Award from the American Psychological Association, 1996.

Outstanding-International-Student Fellowship, University of Illinois at Urbana-Champaign, 1996.

The Honor Society of Phi Kappa Phi, 1996.

Scholarships from the National Council of Scientific Research (CONICET, Argentina), 1995-1997, 1992, 1990-1992, 1989.

## GRANT SUPPORT

### Funded

National Institute of Allergies and Infectious Diseases (R01 AI147487). *Development and validation of regional models of HIV vulnerabilities and solutions* (MPIs: Dolores Albarracín & Sally Chan). Total Costs: \$2,493,185, July 2019-June, 2023.

National Institutes of Drug Abuse (DP1 DA048570). *Digital, Community-Led, Social Action Initiative to Reduce Opioid Vulnerability and HIV/HCV in Rural Areas of the Midwest and Appalachia* (PI: Dolores Albarracín). Total Costs: \$3,901,354. April 2019-March 2024. (Avant Garde Award within the Pioneer Award Program)

National Institutes of Health (R01MH114847). *Mining Social Media Messages for HIV Testing and Prevention Communication* (PI: Dolores Albarracín). Total Costs: \$2,911,036, September 2018-August 2023.

National Institutes of Health (R56AI114501). *Online media and structural influences on new HIV/STI Cases in the US (2015-2017)* (PI: Dolores Albarracín). Total Costs: \$656,196, May 2015-2017.

National Institutes of Health (R01 MH094241). *Efficacy and Effectiveness of Multi-Behavior Interventions Relevant to HIV*. (PI: Dolores Albarracín). Total costs: \$2,567,581, April 2012-February 2019.

National Institutes of Health, *START CARE-Surveillance-assisted HIV testing and relinkage to care*. Co-Investigator. (PI: Baligh Yehia). (Direct costs: \$259,000, March 2014-2015.

*Development of an app for delivery of medication in Africa*. Co-Investigator. (PI Robert Gross). Global Engagement Fund, University of Pennsylvania. Co-Investigator. Costs: \$40,000, January 2014-2015.

National Institutes of Health (P50 CA179546-01), *Tobacco Center on Regulatory Science: Tobacco Product Messaging in a Complex Communication Environment*. (Co-Chair of Training Program: Dolores Albarracín) (Year 2012), (PIs R. Hornik and C. Lerman), Total costs: \$18,700,000, August 2013-2018.

National Institutes of Health (R01 NR08325). *Selective Exposure in HIV Prevention*. (PI: Dolores Albarracín). Total costs: \$1,885,455, February 2009-February 2014.

National Institutes of Health (F31 MH086324). *Predicting Attention to HIV Prevention Information*. Mentor. (PI: Allison Earl), Direct costs: \$41,000, October 1, 2009-September 31, 2011.

Centers for Disease Control, *MSM statewide needs assessment and strategic plan*, Costs: \$82,000; Co-Investigator. (PI: Mildred Williamson), April 2009-April 2010.

National Institutes of Health (R13 MH080619). *Conference: A look at behavior change across individuals, families, and communities in the era of HIV*. (PI: Dolores Albarracín). (Co-Investigators: Ralph DiClemente, Alex Rothman, and Carlos del Rio), Total costs: \$113,000, May 2008-May 2009.

Scientist Development Award from the National Institute of Mental Health (K02 MH075616). *Attitudes and motivations in action: Applying behavior change theory to HIV prevention*, (PI: Dolores Albarracín). Total costs: 623,835; June 2005- June 2010.

National Institutes of Health (R01 NR08325). *Selective Exposure in HIV Prevention*. (PI: Dolores Albarracín). Total costs: \$3,145,974, August 2002-June 2008.

Scientist Development Award from the National Institute of Mental Health (K01 MH01861). *Change maintenance and decay in HIV prevention*. (PI: Dolores Albarracín). Total costs: \$634,578, August 1999-August 2004.

University of Florida Research Grant. *A model of persuasion and self-persuasion*. (PI: Dolores Albarracín). \$7,000, 1998.

National Institute of Mental Health (RO3 MH58073). *Predictors of success in condom use communications*. (PI: Dolores Albarracín). Total costs: \$138,609, 1997-2000.

## 2015

Albarracín, D. (2015). Editorial. *Psychological Bulletin*, *141*,1-5. <http://dx.doi.org/10.1037/bul0000007>

Ireland, M., Schwarz, A., Ungar, L., Zhai, C., & Albarracín, D. (2015). Action tweets linked to reduced county-level HIV prevalence in the United States. *AIDS and Behavior*. <http://dx.doi.org/10.1007/s10461-015-1252-2>. PMID: 26650382.

Ireland, M., Chen, B., Schwarz, A., Ungar, L., & Albarracín, D. (2015). Future-oriented tweets predict lower county-level HIV prevalence in the United States. *Health Psychology*, *1252-60*. <http://dx.doi.org/10.1037/hea0000279>. PMID: 26651466.

Tannenbaum, M. B., Helper, J., Zimmerman, R. S., Saul, L., Jacobs, S., Wilson, K., Albarracín, D. (2015). Appealing to fear: A meta-analysis of fear appeal effectiveness and theories. *Psychological Bulletin*, *141*. 1178-1204. <http://dx.doi.org/10.1037/a0039729>. PMID: 26501228.

Cappella, J., Kim, H., Albarracín, D. (2015). Selection and transmission processes for information in the emerging media environment: Psychological motives and message characteristics. *Media Psychology*. *18*(3). 396-424. PMID: 26190944

Earl, A., Nisson, C. A., Albarracín, D. (2015). Stigma cues increase self-conscious emotions and decrease likelihood of attention to information about preventing stigmatized health issues. *Acta de Investigación Psicológica*. *5*, 1860-1871. doi: [10.1016/S2007-4719\(15\)30006-5](https://doi.org/10.1016/S2007-4719(15)30006-5)

Bussing, R., Koro-Ljungberg, M., Gurnani, T., Garvan, C. W., Mason, D., Noguchi, K., & Albarracín, D. (2015). *Willingness to use ADHD self-management: Mixed methods study of perceptions by adolescents and parents*. *Journal of Child and Family Studies*, *25*(2), 1-12. <http://dx.doi.org/10.1007/s10826-015-0241-4>.

Wilson, K., Senay, I., Durantini, M., Sanchez, F., Hennessy, M., Spring, B., Albarracín, D. (2015). When it comes to lifestyle recommendations, more is sometimes less: A meta-analysis of theoretical assumptions underlying the effectiveness of interventions promoting multiple behavior domain change. *Psychological Bulletin*, *141*(2), 474-509. PMID: 25528345

Wilson, K., & Albarracín, D. (2015). Barriers to accessing HIV-prevention in clinic settings: Higher alcohol use and more sex partners predict decreased exposure to HIV-prevention counseling. *Psychology, Health, & Medicine*, 20, 87-96.

## 2014

Dolcos, S., & Albarracín, D. (2014). The inner speech of behavioral regulation: Intentions and task performance strengthen when you talk to yourself as a *you*. *European Journal of Social Psychology*, 44(6), 636-642. PMID in Progress

Ireland, M., Hepler, J., & Albarracín, D. (2014). Neuroticism and attitudes toward action in 19 countries. *Journal of Personality*, 83(3), 243-250. doi:10.1111/jopy.12099. PMID: 24684688

Hepler, J., & Albarracín, D. (2014). Liking more means doing more: Dispositional attitudes predict patterns of general action. *Social Psychology*, 45(5), 391-398. doi:http://dx.doi.org/10.1027/1864-9335/a000198.

Carrera, P., Munoz, D., Caballero, A., Fernandez, A., Aguilar, P., & Albarracín, D. (2014). How verb tense affects the construal of action: The simple past tense leads people into an abstract mindset. *Psicológica*, 35, 209-233.

Liu, J., Jones, C., Wilson, K., Durantini, M.R., Livingood, W., & Albarracín, D. (2014). Motivational barriers to retention of at-risk young adults in HIV-prevention interventions: Perceived pressure and efficacy. *AIDS Care*. doi:10.1080/09540121.2014.896450. PMID: 24641552.

## 2013

Albarracín, D., Wilson, K., Durantini, M.R., & Livingood, W. (2013). When is retention in health promotion interventions intentional? Predicting return to health promotion interventions as a function of busyness. *Acta de Investigación Psicológica*, 3, 1311-1321.

Bussing, R., Noguchi, K., Koro-Ljungberg, M.E., Garvan, C., Mason, D.N., Gagnon, J., Albarracín, D. (2013). Feasibility of school-based ADHD interventions: A mixed methods study of perceptions of adolescents and adults. *Journal of Attention Disorders*. doi: 10.1177/1087054713515747. PMID: 24448222

Hepler, J., & Albarracín, D. (2013). Attitudes without objects: Evidence for dispositional attitudes, its measurement, and its consequences. *Journal of Personality and Social Psychology*, 104(6), 1060-1076. doi:10.1037/a0032282. PMCID: PMC3674219

Hepler, J., & Albarracín, D. (2013). Complete unconscious control: Using (in)action primes to demonstrate completely unconscious activation of inhibitory control

- mechanisms. *Cognition*, 128, 271-279. doi:10.16/j.cognition.2013.04.012. PMID: 23747649
- Wilson, K., Durantini, M.R., Albarracín, J., Crause, C., & Albarracín, D. (2013). Reducing cultural and psychological barriers to Latino enrollment in HIV-prevention counseling: Initial data on an enrollment meta-intervention. *AIDS Care*, 25, 881-887. doi:10.1080/09540121.2012.729803. PMID:23398305
- Zell, E., Su, R., Li, H., Ho, M., Hong, S., Kumkale, G.T., Rossier, J, Massoudi, K., Cai, H., Roccas, S., Arce-Michel, J., de Sousa, C., Diaz-Loving, R., Botero, M.M., Mannetti, L., Garcia, C., Carrera, P., Cabalero, A., Ikemi, M., Chan, D., Bernardo, A., Garcia, F., Brechan, I., Maio, G., & Albarracín, D. (2013). Cultural differences in attitudes toward action and inaction: The role of dialecticism. *Social Psychological and Personality Science*. doi: 10.1177/1948550612468774

## **PRESENTATIONS**

### **Invited Presentations at Conferences**

Albarracín, D. (2019). *Speaker at panel about experiences of APA editors who are women of color*. American Psychological Association, Chicago, August.

Albarracín, D. (2018). *Reproducibility and replicability in the context of Psychological Bulletin*. University of Chicago, October.

Albarracín, D. (2018). *Invited Address*. Meeting of the International Association for Applied Psychology, July.

Albarracín, D. (2018). *Keynote Speaker*. Meeting of the Australo-Asian Psychological Society, April.

Albarracín, D. (2018). *Beliefs that confer social identity*. National Academy of Sciences, Framework Building for Intelligence Community, April.

Albarracín, D. (2017). *Conspiracy theories*. Meeting of the Midwestern Psychological Society, April.

Albarracín, D. (2017). *The four horsemen of conspiratory thinking: Characterizing and detecting conspiracy theories*. Meeting of the Society for Experimental Social Psychology, October.

Albarracín, D. (2017). *Behavior change*. Nebraska Symposium on Motivation, April.

Albarracín, D. (2017). *Thought and communication about and for action*. Midwestern Psychological Association, April.

Albarracín, D., Farhadloo, M., Winneg, K., & Chan, S. (2017). *Risk, Concern and knowledge in the Zika area*. Zika Summit, Annenberg Public Policy Center, University of Pennsylvania, March.

Albarracín, D. (2016). *Physical and mental boundaries in intentions, behaviors, and self-conception*. Attitudes and Social Influence Preconference, January.

- Albarracín, D. (2015). *Online information and HIV in US counties: Theory testing and prediction*. National Institutes of Health. Leveraging Big Data. July.
- Albarracín, D. (2015). *Effects of Multi-Behavioral Interventions*. Martin Fishbein Symposium. AIDS Impact, July.
- Albarracín, D., Jones, C., & Hall-Jamieson, K. (2014). *Durability of correction effects: A meta-analysis of belief perseverance and implications for science communication*. Science Communication Symposium, Annenberg Public Policy Center, University of Pennsylvania.
- Albarracín, D. (2013). *Social psychology of action from the lab to the field*. Keynote Address, Dutch Social Psychology Conference.
- Albarracín, D. (2011). *The health intervention process and social disparities in HIV prevention*. HIV-Prevention Conference, Madrid, Spain.
- Albarracín, D. (2010). *The social regulation of activity and inactivity. Implications for behavior prediction and change*. Keynote Address, Colombian Conference of Psychology, Ibagué, Colombia.
- Albarracín, D. (2009). *The health intervention process and social disparities in HIV prevention*. AIDS Impact, Gaborone, Botswana.
- Albarracín, D. (2009). *Behavioral interventions to prevent HIV in women and girls: What works and why*. NIH Office of AIDS Meeting, Bethesda, MD.
- Albarracín, D. (2008). *Action and inaction goals as meta-goals*. Invited talk for the Kellogg Meta-Cognition Conference, Chicago, IL, May.
- Albarracín, D. (2008). *The need for complex and ecologically valid approaches to HIV prevention outcome research: Meta-analysis and field research*. Invited talk for the Meeting of the European Society for Health Psychology, Bath, UK, September.
- Albarracín, D. (2008). *The influence of general action and inaction goals on impulsive behavior*. Invited talk for the Meeting of the Midwestern Psychological Association, Chicago, IL, May.
- Albarracín, D. (2007). *Attitudes and persuasion*. Invited talk for the Meeting of Innovative Theories and Cancer Prevention, National Cancer Institute, Bethesda, MD, September.
- Albarracín, D. (2006). *Testing models of behavior change*. Invited talk for the Meeting of the European Health Psychology Society, Maastricht, August.

- Albarracín, D. (2006). *Attitudes and culture*. Invited address for the Meeting of the Mexican Society for Social Psychology, Mexico, October.
- Albarracín, D. (2006). *General action and inaction Goals for individuals and communities: Social and health effects*. Invited address for the Meeting of the Midwestern Psychological Association, Chicago, IL, May.
- Aizen, I, & Albarracín, D. (2006). *Predicting and changing behavior: A reasoned action approach*. Presentation for Festschrift honoring Martin Fishbein, Annenberg School of Communication, University of Pennsylvania, Philadelphia, PA, March.
- Albarracín, D. (2005). *A test of major assumptions about behavior change: A comprehensive look at HIV prevention interventions since the beginning of the epidemic*. HIV Board Conference, Department of Health, State of Florida, February.
- Albarracín, D. (2004). *Unrealistic expectations in persuasion: Implications for communication policy*. Health Communication Conference, Lexington, April.
- Albarracín, D., Glasman, L.R., & Wallace, H.M. (2003). *A model of attitude activation and comparison: Survival and change in attitudes and other judgments*. Attitudes Preconference, Meeting of the Society of Social and Personality Psychology, Los Angeles, California, February.
- Albarracín, D. (2001). *Towards a behavior-centered understanding of persuasion*, Meeting of the Interamerican Society of Psychology, Santiago, Chile, July.
- Albarracín, D. (2001). *Towards a behavior-centered understanding of persuasion*, Meeting of Midwestern Psychological Association, Chicago, IL, May.
- Albarracín, D. (2000). *Towards a behavior-centered understanding of persuasion*, Meeting of Society of Southeastern Social Psychology, Macon, GA, November.
- Albarracín, D. (2000). *Towards a behavior-centered understanding of persuasion*. Meeting of the New England Social Psychological Association, Storrs, CO, October.
- Albarracín, D. (1999). *Who says what to whom in HIV prevention?* Meeting of the Interamerican Society of Psychology, Caracas, Venezuela, July.
- Albarracín, D. (1999). *Meta-analysis for theory testing*, Workshop on meta-analysis, National Institutes of Mental Health, Bethesda, MA, April.

### Conference Papers and Symposia (1992-Present)

- Lohmann, S., & Albarracín, D. (2019, February). *Beliefs about incremental and radical change: Predicting and changing the time course of behavior*. Poster session presented at the 20<sup>th</sup> meeting of the Society for Personality and Social Psychology Preconference: Motivation Science, Portland, OR.
- Lohmann, S., & Albarracín, D. (2019, February). *Beliefs about incremental and radical change: Predicting and changing the time course of behavior*. Poster session presented at the 1<sup>st</sup> SPSP Preconference for Motivation Science, Portland, OR.
- Dai, W., & Albarracín, D. (2019, February). *Benefits of general inaction norms*. Poster presented at the 2019 Annual Convention of the Society for Personality and Social Psychology, Portland, OR, 2019.
- White, B.X., & Albarracín, D. (2019, February). Are Social Disparities Addressed by HIV Interventions? A Meta-Analytic Assessment. *Annual SPSP Meeting. Portland, Oregon*.
- White, B.X., & Albarracín, D. (2019, February). Effects of Action and Inaction Recommendations in Multiple Behavior HIV Interventions: A Meta-analysis. *SPSP Health Pre-Conference. Portland, Oregon*
- White, B.X., Lohmann, S., Zuo, Z., Chan, M. P. S., Morales, A., Li, B., Zhai, C., Albarracín, D. (2018, April). Improving HIV/STI Message Spread on Social Media. *Annual MPA Meeting. Chicago, Illinois*.
- Dai, W., Palmer, R., Sunderrajan, A., Durantini, M., Sánchez, F., Glasman, L., & Albarracín, D. (2018, April). *The efficacy of integrated interventions in treating substance use: meta-analysis*. Paper presented at the Ninetieth Annual Meeting of Midwestern Psychological Association, Chicago, IL, 2018.
- White, B.X., Sunderrajan, A., Albarracín, D. (2018, March). Effects of Social Disparity on Efficacy of Multiple Behavior Interventions for HIV-related Outcomes. *Illinois Summit on Diversity in Psychological Science. Champaign, Illinois*.
- Lohmann, S., Chan, M.-p. S., Morales, A., Zhai, C., Ungar, L., Holtgrave, D. R., Albarracín, D. (2018, April). *Using Twitter to predict STIs: A US-wide online risk index*. Paper presented at the 90<sup>th</sup> meeting of the Midwestern Psychological Association, Chicago, IL.
- Lohmann, S. Mekawi, Y., Hughes, C. Sunderrajan, A., Tenshe, C., Balasubramaniyan, A., & Albarracín, D. (2017, April). *Executive control, repetitive negative thinking, and depression and anxiety: A meta-Analysis*. Paper Presented at the Meeting of the Midwestern Psychological Association, Chicago, IL.

- Sanders, E., McDonald, J., Textor, C., Palmer, R., Dai, W., Weingarten, E., & Albarracín, D. (2017, January). *Can Ideas Activate Behavior? A meta-analysis of the effects of a variety of conceptual priming objects and strategies on behavioral outcomes*. Paper Presented at the Meeting of the Society for Personality and Social Psychology, San Antonio, TX.
- Chan, M.P.S., Lohmann, S., & Albarracín, D. (2017, January). *STI Prediction from tweets: A multi-year, open-dictionary approach*. Paper Presented at the Meeting of the Society for Personality and Social Psychology, San Antonio, TX.
- Lohmann, S. Mekawi, Y., Hughes, C. Sunderrajan, A., Tenshe, C., Balasubramaniyan, A., & Albarracín, D. (2017, January). *Executive control, repetitive negative thinking, and depression and anxiety: A meta-Analysis*. Paper Presented at the Meeting of the Society for Personality and Social Psychology, San Antonio, TX.
- Lohmann, S., & Albarracín, D. (2017, January). *The experience of intentions: A phenomenological view*. Paper Presented at the Meeting of the Society for Personality and Social Psychology, San Antonio, TX.
- Bae, R. E., Maloney, E. K., Albarracín, D., & Cappella, J. N. (2017, May). *Does interest in smoking affect selection of pro-smoking videos? A selective exposure experiment*. Paper to be presented at the International Communication Association 2017 conference, San Diego, CA.
- Lohmann, S., Chan, M.-p. S., Zhai, C., Liu, Y., Ungar, L. H., Schwartz, H. A., & Albarracín, D. (2016, October). Which HIV-risk-related words can predict new HIV diagnoses in the state of Florida? Paper presented at the Meeting of the American Public Health Association, Denver, CO.
- Chan, M. S., Lourentzou, I., Morale, A., Zhai, C., & Albarracín, D. (2016, October). What are the differences in HIV-related social communications in counties with low (vs. high) socio-economic status in the United States? A thematic analysis of Twitter data. Paper presented at the Meeting of the American Public Health Association, Denver, CO.
- Jones, C. R., Chan, S., & Albarracín, D. (2016, May). *The continued influence of corrected or retracted misinformation: A meta-analysis*. Meeting of the Midwestern Psychological Association, Chicago IL.
- Lohmann, S., Jones, C., & Albarracín, D. (2016, January). *The role of implicit self-talk in habitual action*. Data blitz presented at the 17th meeting of the Society for Personality and Social Psychology, San Diego, CA.
- Albarracín, D., Hepler, J., Clark, J., Jones, A., Weingarten, E., & Chen, Q. (2016, January). *Subtle events: A meta-analysis of the behavioral upshot of priming*

- Using linguistic and sensorial cues.* Paper presented at the annual meeting of the Society for Personality and Social Psychology, San Diego, CA.
- Lohmann, S., Lu, X., & Albarracín, D. (2015, May). *Phenomenology and levels of experience: Capturing people's experience of intentions and emotions.* Poster session presented at the meeting of the Midwestern Psychological Association, Chicago, IL
- Hughes, C., McDonald, P., & Albarracín, D. (2015, May). *Recall of behavioral health recommendations: Optimal number of prescribed behaviors for behavior change.* Midwestern Psychological Association (MPA) Annual Meeting in Chicago, IL.
- Weingarten, E., Chen, Q., McAdams, M., Yi, J., Hepler, J., & Albarracín, D. (2015, May). *A meta-analysis of the behavioral effects of incidental word priming.* Paper presented at the annual meeting of the Association for Psychological Science.
- Hepler, J., Clark, J., Jones, A. E., Weingarten, E., Albarracín, D., & Chen, Q. (2015, May). *Are behavioral priming effects moderated by prime type? A meta-analytic investigation.* Paper presented at the annual meeting of the Association for Psychological Science, New York, NY.
- Liu, J., Zhao, S., Chen, X., Falk, E., & Albarracín, D. (2015 May). Peer influence on adolescent smoking initiation and progression: A meta-analysis. Paper presented at 2015 ICA, San Juan, Puerto Rico.
- Albarracín, D., Weingarten, E., Chen, Q., McAdams, M., & Yi, J. (2014). *Meta-analysis of behavioral effects of primes to incidentally induce goals.* Paper presented at the annual meeting of the Society for Experimental Social Psychology, Columbus, OH.
- Hepler, J., Weingarten, E., Chen, Q., McAdams, M., Yi, J., & Albarracín, D. (2014). *Publication bias in incidental goal priming effects?* Paper presented at the annual meeting of the Society for Experimental Social Psychology, Columbus, OH.
- Basáñez, T., Warren, M., Crano, W. D., & Albarracín, D. (2014). *Cross-cultural comparison of trust in new relationships and implications for risk regulation Theory.* Poster presented at the Society for Personality and Social Psychology Conference, Austin, TX.
- Albarracín, D. & Ireland, M. (2014, May). *A friend to myself: Adopting a friend's perspective in proactive self-talk anticipates positive emotions and strengthens intended self-control.* Meeting of the Association of Psychological Science, San Francisco, CA.

- Albarracín, D. (2014, May). *Dimensions underlying the influence of psychological theory on policy: The case of social psychology and changing behavior*. Meeting of the Association of Psychological Science, San Francisco, CA.
- Ireland, M., & Albarracín, D. (2014, May). *Linguistic indicators of protective and risky communities: Predicting HIV outbreaks through Twitter*. Meeting of the Association of Psychological Science, San Francisco, CA.
- Chen, Q, Ireland, M, & Albarracín, D. (2014, April). *Predicting county-level HIV rates through automatic Twitter Analysis*. Poster presented at the 35th Annual Meeting and Scientific Sessions of Society of Behavioral Medicine, Philadelphia, PA.
- Earl, A., Crause, C., Vaid, A., Briskin, J., Sklepinski, S. M., & Albarracín, D. (2014, April). *Racial gaps in attention to health information*. Symposium presentation at the International Consortium of Cultural Neuroscience, Ann Arbor, MI.
- Earl, A., Jones, C.R.M., Hall, M.P., & Albarracín, D. (2014, May). *Goals alleviate biased processing with consonant and dissonant arguments*. Poster presented at the Association for Psychological Science, San Francisco.
- Hall, M.P., Earl, A., Jones, C.R.M. & Albarracín, D. (2014, February). *Motivated message processing with consonant and dissonant arguments*. Symposium presentation at the Attitudes Preconference of the meeting of the Society for Personality and Social Psychology, Austin, TX.
- Jones, C.R.M. & Albarracín, D. (2014, February). *Illusory behavior: A Memory error exacerbated by spoken self-talk*. Symposium presentation at the meeting of the Society for Personality and Social Psychology, Austin, TX.
- Liu, J., Jones, C., Wilson, K., Durantini, M. R., Livingood, W., & Albarracín, D. (2014, February). *Motivational barriers to retention of at-risk young adults in HIV-prevention interventions: perceived pressure and efficacy*. Paper to be presented at the International Communication Association 2014 conference, Seattle, WA.
- Wilson, K., Senay, I., Durantini, M., Sanchez, F., Hennessy, M., Spring, B., & Albarracín, D. (2014, February). *Do more lifestyle recommendations equal healthier outcomes? A meta-analysis of theoretical assumptions underlying the effectiveness of interventions promoting multiple behavior change*. Poster presented at the annual meeting of the Society for Personality and Social Psychology (SPSP), Austin, TX.
- Hepler, J., & Albarracín, D. (2013, May). *Positive people prioritize positive information: Dispositional attitudes predict affective processing-order*. Poster presented at the 25th annual meeting of the Association for Psychological Science, Washington, D.C.

- Hepler, J., & Albarracín, D. (2013, May). *Positive people prioritize positive information: Dispositional attitudes predict affective processing-order*. Symposium presentation at the 85th annual meeting of the Midwestern Psychological Association, Chicago, IL.
- Earl, A., & Albarracín, D. (2013, January). *Selective attention to stigmatizing health information among disenfranchised groups*. Poster presented at the Society for Personality and Social Psychology, New Orleans.
- Hepler, J., & Albarracín, D. (2013, January). *Positive people prioritize positive information: Dispositional attitudes predict processing-order for positive versus negative information*. Poster presented at the 14th annual meeting of the Society for Personality and Social Psychology, New Orleans, LA.
- Jones, C. R. & Albarracín, D. (2013, January) *Did I do that? Memory for Enacted and Intended Behaviors*. *Society for Personality and Social Psychology*. New Orleans, LA.
- Tan, J. J. X., Jones, C. R., & Albarracín, D. (2013, January). *Influencing perceptions of mental vs. physical experiences*. Poster presented at the annual meeting of the Society for Personality and Social Psychology, New Orleans, Louisiana
- Tannenbaum, M. & Albarracín, D. (2013, January). *Do 'scare tactics' work? A meta-analytic examination of fear appeal theories*. Poster presented at the annual meeting of the Society for Personality and Social Psychology, New Orleans, LA.  
\* Finalist for the SPSP Student Poster Award.
- Wilson, K., Durantini, M.R., Albarracín, J., Crause, C., & Albarracín, D. *It seems possible to reduce cultural and psychological barriers to Latino enrollment in HIV-prevention counseling: Initial data on an enrollment meta-intervention* (2013, January). Poster presented at the annual meeting of the Society for Personality and Social Psychology (SPSP), New Orleans, LA.
- Jung, K., Viswanathan, M., Wyer, R. S., & Albarracín, D. (2012, October). *Effects of Timing of Purchase and Perceived Proximity of Climate Change on Green Product Purchase*. Annual Conference of the Association for Consumer Research, Vancouver, BC, Canada. (Competitive Paper Session)
- Jung, K., Albarracín, D. & Viswanathan, M. (2012, October). *General to Specific vs. Specific to General: Spillover vs. Licensing Effect of Overpredicting General vs. Specific Green Behavior in the Future on Immediate Member vs. Non-member Behaviors*. Annual Conference of the Association for Consumer Research, Vancouver, BC, Canada. (Poster Session)
- Wilson, K., LeRoy, A., Albarracín, D., Durantini, M., & Livingood, W. (2012, December). *Increasing the public health impact of HIV-prevention counseling programs: Preliminary findings for meta-intervention videos on retention*. Poster

- presented at the Science of Eliminating Health Disparities Summit, National Harbor, MD.
- Prater, K.A., Wilson, K. Albarracín, D., Durantini, M., & Livingood, W. (2012, August). *Increasing the effectiveness of multi-session HIV-prevention counseling programs: Preliminary findings from a retention meta-intervention*. Poster presented at the annual meeting of the American Psychological Association (APA), Orlando, FL.
- Earl, A., & Albarracín, D. (2012, May). *Predicting the time-course of attention to health information for high-risk audiences*. Symposium presentation at the meeting of the Midwestern Psychological Association, Chicago (May).
- Hepler, J., & Albarracín, D. (2012, May). Attitudes without objects: Evidence for a dispositional attitude. Symposium presentation for the Society for the Study of Motivation preconference at the 24th annual meeting of the Association for Psychological Science.
- Jones, C. R. & Albarracín, D. (2012, May). *Memory for enacted and intended behaviors*. Midwestern Psychological Association. Chicago, IL.
- Tannenbaum, M. & Albarracín, D. (2012, May). *Do 'scare tactics' work? A meta-analytic test of fear appeal theories*. Invited panelist/speaker at the Princeton Graduate Conference in Psychology and Policymaking, Princeton, NJ.
- Tannenbaum, M. & Albarracín, D. (2012, May). *Power and goals to be active vs. inactive*. Symposium talk at the annual meeting of the Midwestern Psychological Association, Chicago, IL.
- Tannenbaum, M. & Albarracín, D. (2012, May). *Power and goals to be active vs. inactive*. Poster presented at the annual meeting of the Association for Psychological Science, Chicago, IL.
- Earl, A., & Albarracín, D. (2012, February). *Predicting the time-course of attention to health information for high-risk audiences*. Poster presented at the Society for Personality and Social Psychology, San Diego.

Albarracín, D. (1993, July). *Attitudes toward protective behaviors in aging*. Paper presented at the XXIV Interamerican Congress of Psychology, Santiago, Chile.

Albarracín, D. (1992, July). *Social support and mental health*. Paper presented at the 1st Ibero-American Conference of Psychology, Madrid, Spain.

### **Invited Colloquia (1996-Present)**

*Using technology for HIV policy*. School of Social Work, University of Illinois, November 2018.

*Exposure, retention, and change in health-promotion intervention.* Questrom School of Business, Boston University, January 2018.

*Attitudes: A classic look from a contemporary perspective.* Department of Psychology, Northwestern University, March 2017.

*Online information and HIV in US counties: Theory testing and prediction.* Center for AIDS Research. Medical College of Wisconsin, December 2016.

*Thought and communication for Action.* University of Notre Dame, November 2016.

*Thought and communication for Action.* Annenberg Public Policy Center, October 2016.

*Online information and HIV in US counties: Theory testing and prediction.* Center for Health, Intervention, and Prevention. University of Connecticut, April 2016.

*Physical and mental boundaries in intentions, behaviors, and self-inferences: Theoretical Issues and Health Implications.* University of Michigan, March 2016.

*On priming action: Meta-analysis and the state of the evidence.* Social Psychology Brownbag, Northwestern University, February 2016.

*Psychology of action and intention,* Social Psychology Series, University of Zurich, March 2015.

*What we tell ourselves,* Social Psychology Series, University of Southern California, February 2015.

*What we tell ourselves,* Social Psychology Series, Brown University, May 2014.

*Social psychology of action and HIV prevention.* CFAR, School of Medicine, University of Pennsylvania, April 2014.

*Social psychology of action and HIV prevention.* Developmental CFAR, School of Medicine, University of Illinois at Chicago, February 2014.

*Social psychology of action and HIV prevention.* Behavioral Group within CFAR, School of Medicine, University of Pennsylvania, February 2014.

*Social psychology of action,* Tokyo University, March 2014.

*The blurry boundaries of the physical and the mental,* Social Psychology Series, New York University, November 2013.

*The social regulation of action: Implications for behavior enactment and change,* Center for Positive Psychology, University of Pennsylvania, November 2012.

*The social regulation of action: Implications for behavior enactment and change*, Institute for Social Research, University of Michigan, October 2012.

*How communications shape actions*, Annenberg School of Communication, University of Pennsylvania, January 2012.

*The social regulation of action and inaction*. Social Psychology Colloquium, Northwestern University, January 2012.

*What we tell ourselves: Effects of implicit and explicit self-talk on intentions and behaviors*. Social Psychology Colloquium, Department of Psychology, Loyola University, September 2011.

*The social regulation of action and inaction*. Martin Fishbein Colloquium, Annenberg School of Communication, University of Pennsylvania, February 2010.

*What we tell ourselves: Effects of implicit and explicit self-talk on intentions and behaviors*. Social Psychology Colloquium, Department of Psychology, Northwestern University, October 2010.

*Theoretical developments in behavioral change*. NIMH AIDS Speaker Series, Bethesda, MD, June 2009.

*The social regulation of action and inaction*. Business School, University of Chicago, April 2009.

*The social regulation of action and inaction*. Department of Psychology, University of Northern Iowa, October 2008.

*Power and Infection with HIV: How to effectively attract and change the behavior of disenfranchised populations*. University of Northern Iowa, October 2008.

*Inference processes in persuasion*. Annenberg School of Communication, University of Pennsylvania, March 2007.

*The social regulation of action and inaction*. Marketing Department, University of Pennsylvania, March 2007.

*The social regulation of action and inaction*. Department of Psychology, University of Southern California, January 2007.

*The social regulation of action and inaction*. Cognitive Psychology Seminar, Department of Psychology, University of Florida, January 2007.

*The social regulation of action and inaction.* Department of Psychology, University of Illinois, December 2006.

*The social regulation of action and inaction.* Marketing Department, University of Florida, December 2006.

*Power and Infection with HIV: How to effectively attract and change the behavior of disenfranchised populations,* Center for AIDS Prevention, Medical College of Wisconsin, May 2006.

*Power and Infection with HIV: How to effectively attract and change the behavior of disenfranchised populations.* TRIP 'Taking Research into Prevention' Series, Center for Diseases Control, May 2006.

*General action and inaction goals for individuals and communities: Social and health effects.* 'Landscapes of the Mind' Series, Montana State University, April 2006.

*The role of power in HIV prevention.* Psychology Colloquium, Montana State University, April 2006.

*Potential cultural side effects of increasing action goals: A behavioral and fMRI approach.* Social Psychology Colloquium, University of South Florida, February 2006.

*Potential cultural side effects of increasing action goals: An experimental approach.* Social Psychology Colloquium, University of Illinois, September 2005.

*When prior attitudes strengthen the impact of external information: Principles of judgment formation and change.* Marketing Workshop, Marketing Department, University of Pennsylvania, February 2005.

*A test of major assumptions about behavior change: A comprehensive look at HIV prevention interventions since the beginning of the epidemic.* Center for Health and HIV Prevention, University of Connecticut, December 2004.

*When prior attitudes strengthen the impact of external information: Principles of Judgment Formation and Change.* Marketing Workshop, Marketing Department, Northwestern University, May 2004.

*Unrealistic expectations in persuasion: Implications for communication policy.* Psychology Colloquium, Department of Psychology, Northwestern University, February 2004.

*Unrealistic expectations: Ironic effects of persuasive communications, health promotion, and affect as information.* Social Psychology Colloquium, Department of Psychology, Ohio State University, October 2003.

*A model of attitude activation and comparison: Survival and change in attitudes and other judgments.* Group of Attitudes and Persuasion, Department of Psychology, Ohio State University, October 2003.

*A model of attitude activation and comparison: Survival and change in attitudes and other judgments.* Marketing Department, University of Florida, January, 2003.

*Inference processes in persuasion and attitude change,* Department of Psychology, University of Massachusetts, October 2002.

*Inference processes in persuasion and attitude change,* Department of Psychology, University of Connecticut, May 2002.

*Inference processes in persuasion and attitude change.* Department of Psychology, University of Maryland, December, 2001.

*Persuasion and self-persuasion.* Marketing Department, University of Florida, March, 2001.

*Reasoned and unreasoned processes in persuasion.* Department of Psychology, State University of New York at Stony-Brook, February, 1999.

*Persuasion and self-persuasion.* Marketing Department, University of Florida, March, 1998.

Department of Psychology, University of Colorado at Boulder, January, 1998 (Declined).

Department of Psychology, University of Kentucky at Lexington, Spring, 1998 (Declined).

*Reasoned and unreasoned processes in persuasion.* Department of Psychology, State University of New York at Albany, December, 1997.

*Reasoned and unreasoned processes in persuasion,* Department of Psychology, University of Florida, January, 1997.

*Reasoned and unreasoned processes in persuasion.* Department of Psychology, State University of New York at Buffalo, February, 1997.

*Reasoned and unreasoned processes in persuasion*, Department of Psychology, Loyola University at Chicago. January, 1997.

*Voting decision making in Argentinian elections*. Latin American Studies Colloquium, University of Illinois, February, 1996.

## **TEACHING AND ADVISING**

### **Courses**

Self-regulation  
Attitude Theory  
Attitudes and Consumer Behavior  
Writing in Psychology and Business  
Attitudes and Social Cognition  
Propaganda and Behavioral Change  
Research Methods  
Social Psychology  
Statistics  
Teaching in Psychology

### **Coordination of Teaching**

2009-2012, 2015-2019. Supervisor of Instruction in Introduction to Social Psychology (Enrollment ~ 600 students; 6 Graduate Instructors).

2017-Present. Associate Director, Women's Health, Carle-Illinois Medical School.

2017-2019. Lead faculty, Consumer Insights, Online Master's Program, School of Business and School of Communication.

### **Supervision of Graduate Theses and Dissertations**

Aashna Sunderrajan, *Mechanisms underlying the action positivity bias*. Ph.D. Thesis, Awarded 2019.

Sophie Lohmann, *Going all in or going slow: Preferences for radical versus incremental trajectories of behavior change*. Ph.D. Thesis, Awarded 2019.

Wenhao Dai, *Multiple-behavior change in substance use interventions*, M.S. Thesis, Department of Psychology, University of Illinois, Awarded 2018.

Ryan Palmer, *Conspiracy theories and trust in science*. M.S. Thesis, Department of Psychology, University of Illinois, Awarded 2018.

Emily Sanders, *Priming effects of images and broad connections: A meta-analysis*. M.S. Thesis, Awarded 2017.

Duo Jiang, *Action and inaction in consumer and social contexts: The effects of prior and ongoing behaviors on decisions, intentions and performance*. Department of Business Administration, Ph.D. Thesis, Awarded 2016.

Sophie Lohmann, *The modulating role of questions in repeated action*. M.S. Thesis, Awarded 2016.

Mina Kwon, *Haptic aspects in consumer behavior*, Department of Business Administration, University of Illinois, Ph.D. Thesis, Awarded 2015.

Justin Hepler, *Sequential selective exposure and attitude change*, Department of Psychology, University of Illinois, Ph.D. Thesis, Awarded 2014.

Melanie Tannenbaum, *Fear Appeals in Persuasion*, Department of Psychology, University of Illinois, Ph.D. Thesis, Awarded 2014.

Allison N. Earl, *Health disparities and attention to health information by disenfranchised groups*, Department of Psychology, University of Illinois, Ph.D. Thesis, Awarded 2012.

Melanie Tannenbaum, *The effects of grammatical structure and feelings of power on risk behavior prevention*. Department of Psychology, University of Illinois, M.A. Thesis, Awarded 2011.

Justin Hepler. *Being active and impulsive: The role of goals for action and inaction in self-control*. Department of Psychology, University of Illinois, M.A. Thesis, Awarded 2010.

Wei Wang, *Top-down and bottom-up influences on action and inhibition*. Department of Psychology, University of Illinois, M.A. Thesis, Awarded 2010.

William Hart, *Past behavior perception through verb encoding*, Department of Psychology, University of Florida, Ph.D. Thesis, Awarded 2009.

Hong Li, *Evaluation proceduralization*, Department of Psychology, University of Florida, Ph.D. Thesis, Awarded 2008.

Josh Leeper, *Generalized action goals and the paradox of eating vs. exercising*, Department of Psychology, University of Florida, M.S. Thesis, Awarded 2007.

Allison N. Earl, *Selective exposure to health promotion interventions: An unobtrusive observation of participation in HIV prevention programs*, Department of Psychology, University of Florida, M.S. Thesis, Awarded 2006.

Will Hart, *Mechanisms underlying semantic and motivational priming*, Department of Psychology, University of Florida, M.S. Thesis, Awarded 2005.

Hong Li, *The role of perceived intuition and reasoning in impression formation and change*, Department of Psychology, University of Florida, M.S. Thesis, Awarded 2005.

G. Tarcan Kumkale, *Attitude-relevant memories and persistence of persuasion*. Department of Psychology, University of Florida, Ph.D. thesis, Awarded 2004.

Kyu Hee Lee, *A model of judgment comparison in stereotyping*, Department of Psychology, University of Florida, M.S. Thesis, Awarded 2004.
